At the redirect page enter your Vanier College email password and click Sign in.

The image shows a browser window titled "Sign in to your account (65)". The page features the Vanier College logo in red, with "VANIER" in a large, bold font and "C É G E P / C O L L E G E" below it. The text "Login to your Vanier email and Office 365" is centered. There are two input fields: the first contains the email address "xxxxxxx@vaniercollege.qc.ca", and the second is a password field with a yellow border and masked characters. A red "Sign in" button is positioned below the fields. At the bottom, there is a section for "Students" with the text "Sign in with your student number @edu.vaniercollege.qc.ca" and an example: "e.g.: 8888888@edu.vaniercollege.qc.ca".

****Please note, once you click "Sign in" you will need to use the Authentication method that you have chose for your account. For example the Microsoft Authenticator App or a text message to confirm your login.****

Make sure to click “Yes” in order to stay signed in as the process will not continue until you do so.

Next you will see the VPN connection status.

And finally, you will see the connected screen flash briefly.

And you will also see a message on the bottom right side of your screen informing you that the VPN is connected.

To Disconnect from the VPN simply double click on the Desktop icon and click the Disconnect button.
